**Re: *United States v. Michael Roberts, 21 CR 168 (AT)***

Dear Judge Torres:

I write with the consent of the government and Pretrial Services to request a minor modification of Mr. Roberts' bail conditions to home detention, with permission to leave the home at the discretion of Pretrial Services. Mr. Roberts is currently on home detention with location monitoring, but is only permitted to leave his home for work, to visit with his daughter, and to complete volunteer work. The requested modification would allow Pretrial Services to approve leave for other purposes. All other bail conditions would remain the same.

Thank you for your consideration of this application.

Respectfully submitted,

---
